

## Curriculum Vitae

Name: **Mr. Chhinh Nyda**

Title: PhD candidate

Affiliation: School of Environment, Flinders University

Tel No.: + 61 8 8201 2187

Fax No.: + 61 8 8201 2676

E-mail: [chhinh.nyda@rupp.edu.kh](mailto:chhinh.nyda@rupp.edu.kh)

Postal Address: School of the Environment, Room 202, Earth Science Building,  
Flinders University (GPO Box 2100, Adelaide SA 5001)

Chhinh is currently a PhD candidate at School of Environment, Flinders University. His research project is related to 'vulnerability to climate variability and change in rural Cambodia'. He is also a lecture at Royal University of Phnom Penh (RUPP) in Cambodia. He was lecturing on Environmental Economics and Principle of Economics.

Chhinh's research interests are including climate change adaptation, and rural development. Previous research project led by Chhinh were: 1) 'Costs and Benefits Analysis of Small Scale Jatropha Curcas Plantation in Cambodia' funded by Economy and Environment Program for Southeast Asia (EEPSEA), and 2) "Impacts of ENSO on Rice Production in Cambodia" funded by FAO Italy.

Currently, Nyda is conducting research projects including 1) "Building Capacity to Adapt to Climate Change in Southeast Asia" funded by EEPSEA and International Development Research Center (IDRC), Canada, and 2) The Feasibility Study on "Payment of Forest Environmental Services in Cambodia" collaborated with Hue University in Vietnam, funded by SUMERNET.
