- Oct 2013- Present: Principle researcher, Consumer Behaviors research in CLMV countries, a collaboration research with Khon Kaen University
- Nov 2013-present: Project core team member, Project title on Intra-household impact of climate hazards in coastal communities: A cross country perspective, Funded by the Worldfish and Economy and Environment Program for Southeast Asia (EEPSEA).
- Aug 2013- present: RUPP Project core member, Project title on Harmonizing Nature and Human Society for Sustainable Development funded by World Bank.
- Jun 2011- Mar 2012: Principle Researcher for cross-country research on “Willingness to Pay for Drinking Water Quality Improvement in Cambodia: Using Hypothetical Baselines in Stated Preference Studies”, IDRC-EEPSEA.
- May 2011-Nov 2012: Co-researcher for a project on “Conservation of threatened fish species of the Mekong Ramsar Site, Funded by Conservation Leadership Program (CLP).
- Feb 2011-Mar 2012: Project team member for a project on “Empowerment and capacity building of local community in protection and conservation of Sekong River IBA (Western Siem Pang) through Application of locally based monitoring methods, Funded by CEPF.
- Aug 2010- Present: Consultant (project based) for Environmental Impact Assessment consultancy firm, CES. Co. Ltd., The tasks were to conduct ESIA study with the ToR.
- Feb 2010- Feb 2011: Co-researcher for research project on ““Identification of REDD Potential and Variation in Woodfuel Demand in Chamrie Mountain

- Area, Cambodia” Funded by Economy and Environment Program for Southeast Asia (EEPSEA).
- Sept 2010- 2012: Regional Training Specialist for MRC Flood Management and Mitigation Programme Component3, Jointly implemented by UNESCO-IHE (Netherlands) and Mekong River Commissions (MRC).
- Jan-June 2010: Researcher for Environment and Economy Program in Southeast Asia on the research topic “Why unconnected household are not connected to water supply: Evidence from Siem Reap municipality”.
- July-Aug 2009: Project evaluation team leader for Integrated Coastal Management Project, Sihanouk Ville Municipality, Cambodia.
- Aug 2001 to Present: Lecturer/Researcher for the Department of Environmental Science (DES), And Department of Economic Development (DED), Royal University of Phnom Penh (RUPP). The main responsibilities are to develop course curriculum, teaching materials, teaching and supervising to graduates and undergraduate students. Courses to be taught are:
- Urban Environment (UE), Urban Infrastructure and Service (UIS)
 - Environmental Policy and Regulation (EPR)
 - Introduction to Environmental Economics (at Build Bright University)
 - Environmental Impact Assessment (EIA), for Master Program Of Biodiversity Conservation, RUPP (2009-2011)
- 2006- Mar. 2010: Country focal point and network coordinator for Southeast Asia Urban Environmental Management Application Project, (SEA-UEMA project), Partnership between Asian Institute of Technology and Royal University of Phnom Penh. The main responsibilities are to perform, plan and implement, evaluate the Learning Network and Training activities based on the work plan and TOR.
- Jan.2008- Jun 2010: Social Research team leader, DelPHE program, research project on “Sustainable Management of River Bank Erosion along the Mekong River in Cambodia and Vietnam. Main responsibilities were to contribute to the design, survey administering, analyze and prepare technical report.
- Aug- Nov 2008: Consultant for Integrated Coastal Management project, Sihaknoukville Municipality. The tasks were to conduct research with the ToR.
- 2006- 2011: Research thesis supervisor and committee to the undergraduate students from Department of environmental sciences, RUPP.

INTERNAL AND EXTERNAL TRAINING COURSES/WORKSHOPS :

- February 2014 Attending training on research methodology on behavioral economics, lectured by Jack Knetsch, Professor Emeritus, Simon Fraser University.
- October 2013 Attending training on risk-based cost and benefit analysis in the context of climate change issues, by EEPSEA/ the World Fish, Malaysia.
- September 2013 Attending Training of Trainers on Ecosystem Management in Water Resources, jointly organized by UNEP/Korean Water Forum, Korea.
- Feb.2012-Jun.2013 Attending academic courses in University of Warsaw, Poland. The courses attended are: 1. Environmental economics, Behavioral economics for decision making, Advanced statistical methods both in continuous and discrete variables and EIA for investment projects.

04Jul-24Jul.2011	Attending short course training (a3-weeks) on River Basin Management, at UNESCO-IHE, Delft, the Netherland, Funded by UNESCO-IHE.
16-20 May 2011	Attending 35 th Biannual workshop on Environment and Economy Program in Southeast Asia and Behavioral economic training course.
10-13 Nov 2010	Attending 34th Biannual workshop on Environment and Economy Program in Southeast Asia (EEPSEA).
06-09 Nov. 2010	Attending training workshop on Stated Preference Methods, Sabah, Malaysia, Organized by EEPSEA.
01-06 Nov.2010	Attending training workshop on Transboundary Water Conflict Management & International Water Governance, Khon Kaen, Thailand.
22-26 Oct. 2010	Attending training on Safeguards training for Consultants, Jointly organized by World Bank and Asian Development Bank, Bangkok.
06-10 sept. 2010	Attending training workshop on water resource development and flood management in a Transboundary context, Ho Chi Minh, Vietnam.
Aug. 2010	Attending training course on Inferential Statistics with SPSS application, Royal University of Phnom Penh, Cambodia
19 May-1 Jun.2010	Attending training Introduction to Econometric model, policy analysis and Cost-Benefit Analysis course for environmental economic valuation, Manila, Philippine, organized by EEPSEA.
16-19 Nov. 2009	Attending 32nd Biannual workshop on Environment and Economy Program in Southeast Asia (EEPSEA), Hanoi, Vietnam
Aug-Oct 2009	Attending graduate courses at Padova University, Italy, sponsored by Erasmus Mundus Scholarship under European Union Project.
13-17 Jul 2009	Training on Environmental Economics, Sihanoukville, Cambodia, organized by EEPSEA.
17-19 Dec. 2007	Professional Training on Program on the Evaluation of Urban Environmental Project .AIT, Bangkok, Thailand.
17-19 Dec. 2007	Profession Training on Program on the Evaluation of Urban Environmental Project, Asian Institute of Technology (AIT), Bangkok.
6-8 March 2007:	Workshop on Action and Evaluation Research, Royal University of Phnom Penh, Cambodia.
15-26 May 2006:	Training Of the Trainer on Urban Environmental Infrastructure and Services (UEI&Ss), at Asian Institute of Technology, Thailand.
July 2005:	Training Workshop on Environmental and Social Impact Assessment.
Sept 2004 :	Training Workshop on Social Capital Construction and Participatory Rural Planning, Royal University of Phnom Penh, Cambodia.
Mar. 2003:	Training Workshop on Quantitative Research Methods, Certificate of Achievement from the Royal University of Phnom Penh.
